A NOTE FROM THE EDITOR:

We plan year-round for our Vettes at One Daytona Car Show - everything from T-shirt design, venue arrangements, donations, hand-crafted raffle baskets and prizes, car registration & check-in, parking, ticket sales, trophies, judges, photographers, and SO much more - all I can say is WOW! To every club member who played a part in making the show a success, give yourself a big pat on the back! There were hundreds of pictures taken, but I was only able to include a fraction. **Please go to the Ponce Inlet Corvette Club Facebook page to see them all!**

Batter Up! A night of food and fun in the "Turtle Nest". It also happened to be "bobblehead" night. A little rain delay, but that didn't damper anyone's baseball spirits!

PICC LADIES LUNCHEON - OUTRIGGERS 5/12/2025

The lovely ladies of PICC had a fabulous luncheon at Outriggers. Rain kept things on the cool side and the dolphins frolicking in the water were a nice sight to see.

COMMUNICATIONS

From the President:

I wanted to take a few moments to thank you all for your hard work and teaming that resulted in a very successful Vettes at ONE DAYTONA 2025 show! We had perfect weather and some gorgeous Corvettes this year and while we didn't fill the entire place up, our proceeds were up year over year - and that means more we can do in the community!

A special thank you to Jeff for taking on the leadership and coordination of the show this year. While it takes a full team to pull this off, your dedication and devotion to the show this year allowed us all to come together under your leadership and make it happen.

Thank you to each of our committee leads and all our volunteers, who donated time, money and materials!

And another special thank you to Beverly for your AMAZING skills at creating the baskets! We had so many this year and as always, it was one of the big draws!

So, thank you again everyone. Let's all take a breather and enjoy the afterglow and before you know it, we'll be talking about 2026!

Also, I'll be shortly announcing when our PICC Summer Picnic will be and I hope you'll make plans to join us for that in June!

Thanks again for all you do and all the fun we have,

Jim Stembridge
President, Ponce Inlet Corvette Club

From the Hospitality Committee:

The car show day was so perfect and the ticket sales went very well at the raffle table. Thank you ladies for doing such a fantastic job with the ticket sales, to the ladies that made some baskets, to the Wilsons for letting me store baskets at their home, and to the members that gave numerous donations that allowed us to have so many more baskets on the tables. Once again, each and everyone did a fantastic job making the basket table a big success!

Also, we have a few months to think about it, but I would like to mention that if a club member would be interested in taking over the basket making for next years car show, please let me know. I have been doing it for five years and enjoyed doing it and very much appreciate all the kind compliments and appreciation of my basket making. I believe it is good to give another member the opportunity to take over the basket making and it may be good for me to take a break. I certainly would be happy to advise or help the next person that takes on the job if needed. If anyone is interested please let me know.

Bev Vedral
