A NOTE FROM THE EDITOR:

Summertime brings vacations, holiday gatherings, travel, friends, family and fun (and a chance to pop the top on your Corvette too). We had a huge turnout for our annual Summer Picnic. The food was great, but the company was even better! Our Social Director, Susie Amaro, has some fun events planned so please be sure to check out the upcoming events section and keep an eye out for her emails with detailed information. Don't forget to **check out the Ponce Inlet Corvette Club Facebook page to stay connected and see more event photos!**

PICC ANNUAL SUMMER PICNIC - FLAGSTICKS BAR & GRILL 6/22/2025

A full-house in attendance for our Annual PICC Summer Picnic at Cypress Head's Flagsticks restaurant. The air conditioned venue was perfect on a warm summer day with delicious food and lots of raffle prizes given away. (Anybody need a One Daytona Car Show shirt?) We also celebrated club member Julius Frittelli's birthday with a fun "Mr. Corvette" cake.

COMMUNICATIONS

From our One Daytona Car Show Chair:

Dear fellow PICC Club members,

I am pleased to write a short report regarding our recent One Daytona show. As I have stated several times the success of this show is due to the support given by the entire PICC Club.

I can give special thanks to Mike Wasson who kept track of all the registrants. Bill Cumberland and David Tyree assisting me with the many different tasks involved with the organization of this show. Charlie & Beverly Vedral for the Judging & baskets. I believe you all know who should be recognized for the specific tasks respectively. Teresa Brotherton for managing the 50/50. The many involved with the Tabulation crew, parking,

set-up & teardown, swag bags, door prizes & pictures assisted by Tim & Debbie Hayden....ETC!!! Behind the scenes Larry Dumais helped print the numbers needed to keep things organized along with holding down the Tabulation crew. Our cherished members of Julie Bush, Holly Miller & Margaret Dibling performing the much needed judging tabulations. Finally, our esteemed VP Linda Giambalvo, even with a recent operation, was instrumental in our after show Pizza Party at Giuseppe's Pizza.

Please don't be concerned if I did not mention your name because there were so many that assisted, I cannot mention them all.

According to Mike we had 164 total paid registrations. Some cancelled but the point is we had 164 that were supposed to come. Also, Mike informed me that we had an overall increase in income from last year so financially it WILL work out for all of our charities.

For the record we did have a few complaints (I was expecting some) and all I can do is promise to you that each was addressed by me in person or via email to attempt to solve their concerns. Each person that brought their concern to my attention was addressed.

We are already working on 2026 and as soon as One Daytona can offer us some dates we will start the ball rolling all over again. This is a year long process to coordinate and schedule all the parties & Vendors involved. I have answered President Jim's request to do another year but am requesting another member that has any interest to take over after that. The process is not "hard" just needs to be highly organized and aware of lead times for scheduling various deliverables.

If anyone has a suggestion to make our show better, please contact me as I can review with my advisors to implement any good ideas. We are already working on a change with Debbie Hayden with regard to the T-Shirt artwork for 2026.

Again, thanks to all that helped.....as stated this is a Team effort, so proud of our Club to make this show SEEM seamless when it is far from it.

Take care
Jeff Bernatovich

COMMUNICATIONS (CONTINUED)

From the Hospitality Committee:

We still have a few months to go, but so far we haven't had any interest from anyone wanting to take over the car show baskets next year. At one of the meetings an idea was brought up pertaining to doing the baskets as a group participation. I also believe that it would be great to get other ladies involved and have the basket making be done as a team. At the July meeting, I will have a sign up sheet for ladies that may be interested and would like to help with making a few baskets for next years car show. No worries if you are not sure how the basket making is done, I will be happy to show you and guide you through it, or one of the other ladies will be there to help, as well. It really is an easy process and it will be fun to get others ladies involved and do it as a team. After I get donations from the club members starting in January, we will get together at a certain location and start putting together some baskets. You will see how easy it is once you have done it. It would be so good to get the ladies that are interested involved in the basket making process. Something to think about ladies. Thanks everyone.
