A NOTE FROM THE EDITOR:

August was a quiet month with lots of members travelling and temperatures just too hot to do much outside. As summer begins to wind down, keep an eye out for events and fun opportunities to connect with your friends and fellow Corvette lovers. Susie has some great events planned and the holidays will be here before you know it! Don't forget to **check out the Ponce Inlet Corvette Club Facebook page to stay connected and see event photos!**

President, Jim Stembridge and Vice President, Linda Giambalvo presented Cortney with Cudas Unhooked a donation from PICC. Cudas Unhooked supports more than 300 at-risk/homeless teens in New Smyrna Beach, from mentoring to personal development to shelter. COMMUNICATIONS

From the President:

Well, the kids are back to school but the weather still says "summer"! I hope you've all had a chance to get some summer travels in and enjoy some places that maybe aren't as hot as here! Now that the kids are back in school, our normal post summer break schedules kick in and I hope that means more of us can attend our monthly member meetings! And, you might get to see some new rides in the parking lot! Seems some upgrades were due for some of our members recently! Congrats on the new(er) Vettes ya'll! As we get into the September/October timeframe, lots of car shows around the corner including the Port Orange Family Days and later in December, the Ponce Inlet Christmas Parade! Please do keep up with Tom's car show lists and plan on joining us for some of them. We'll see you at the next meeting!

Jim Stembridge

From the Hospitality Committee:
